League of Women Voters

35 years — and ‘counting’

Congratulations to the League of Women Voters of Collier County.

The good-government, voter-education organization marks the milestone of its 35th year of service to the Naples area.

A landslide of accolades — and a great big cake — ought to be forthcoming.

The league hosts monthly meetings for guest speakers to educate members and guests about civic affairs ranging from public education to human trafficking.

The league beats the drums to register voters and then have them actually get out and do their duty.

No job is too big or too small, as league officials even volunteer as timekeepers for town-hall meetings co-sponsored by this newspaper and the Greater Naples Chamber of Commerce.

A low bow to the League of Women Voters, and many happy returns.
